

Agripreneur Assignment #2: Blog Entries

For this assignment, you will write a blog entry each month that will be posted on the FEAST by the Bay High Tunnel Blog (<http://www.feastbythebay.org/high-tunnel-blog>).

This means that you will write a total of 5 blog entries – one in May, June, July, August, and September.

Your entry should include:

- What you've been working on in the high tunnel (seeding, weeding, harvesting, selling produce, etc.)
- Your thoughts/reflections on the project
- 1-3 pictures from that month

Your blog entry should be roughly 200-400 words long.

Once you've completed your entry, please email it to Lilly Soshnik-Tanquist at lsoshniktanquist@bayfieldcounty.org.

Be sure to check out the blog throughout the summer to find out what your fellow Agripreneur students have been up to!

Happy writing ☺
